

Inspection Card

This First Aid Station has been inspected and replenished to ensure that it complies with the following regulations:

WSIB 1101/8 1-5 workers <input type="checkbox"/>	WSIB 1101/9 6-15 workers <input type="checkbox"/>	WSIB1101/10 16-199 workers <input type="checkbox"/>	CLC-A 1-5 workers <input type="checkbox"/>	CLC-B 6-19 workers <input type="checkbox"/>	CLC-C 20-199 workers <input type="checkbox"/>
--	---	---	--	---	---

Inspect WSIB Kits every 3 months. Inspect CLC kits every 30 days.

Inspection or refill Date*	Inspected by		Complies with regulations	Notes
	(print name)	(signature)	(Yes/No)	

* If the kit needs replenishment enter the inspection date on one line and the refill date on the next line
Then enter the next scheduled inspection date on the following line.

Inspection checklists are available at <http://www.firstaidco.ca/replenishment.shtml>.
It is more economical to replace the smaller kits than to refill them.
